Alison's Intermediate Level English - Free Alison's Intermediate Level English coursework will build on the fundamentals to get you well-versed in the language. Photo Courtesy: Pixabay/Tumisu One of the biggest advantages of learning English is the many ways in which it can advance your career. These range from beginner-focused courses to advanced courses for native-level speakers. Rosetta Stone English (American) Course - \$20-\$30/Month The American English course by Rosetta Stone is an online course that teaches you English from the ground up. Below, find out some of your best options for improving your English. Unlike with Rosetta Stone, Duolingo uses a native language as the medium of instruction. Simplified Chinese characters, along with clear instructions for accurate pronunciation in the Pinyin accent, help you further enhance your Mandarin reading, writing, listening, and speaking skills. However, Duolingo supports major medium languages such as Spanish, French, German, Italian, Chinese, and Japanese. Here are tips for using online dictionaries. Definitions of Words Online dictionaries provide the resources to find definitions of words in a particular language. Words might have different meanings, so you'll find a numbered list using examples of the words in context. Some words can be used as a verb or a noun. This trusty travel companion features comprehensive definitions and colorful images of daily life, helping you appreciate the nuances of the language and master pronunciation. Keep the Mandarin Chinese-English Bilingual Dictionary by your side as you shop, eat, socialize, travel, and work. This is a good reference for grasping the word's usage capabilities in language. The course teaches you the American version of English, which will make you right at home in the US and Canada. Over a 26-year history of language instruction, Rosetta Stone has gained a reputation for effectiveness. It includes TruAccent spoken word coaching to learn the American accent. It covers the language skills you need to communicate effectively with professionals in fields such as human resources, marketing, and sales. You will learn and practice English conversation skills in the context of a professional setting. Whether traveling for business or for pleasure, remember to pack this comprehensive yet accessible bilingual dictionary. DK was founded in London in 1974 and is now the world's leading illustrated reference publisher and part of Penguin Random House, formed on July 1, 2013. Some words have more than one pronunciation, which is indicated by several examples to follow as a guide. Spelling Variations A word can have more than one spelling, so spelling variations are outlined in the online dictionaries. The word is listed as either a verb, noun, adverb or other part of speech. What stands out about this course is its exhaustive and methodical approach to learning the language. The syllables are broken down to show emphasis and accentuated parts of the words as you speak. Specialty dictionaries are written with specific fields or games in mind, including biology, slang, business and Scrabble. This can be handy for quick reference. Urban Dictionary Urban Dictionary, found at urbandictionary.com, is a user-generated definition database, but it operates in a context where the lack of high-brow gatekeeping is a good thing. MORE FROM LIFE123.COM Whether you need to double-check the meaning of a word you think you know or you've run into new vocabulary, an online dictionary can be a quick way of getting the linguistic information you need. There are numerous general dictionaries like Merriam-Webster and Dictionary.com for reference. If you're ever confused by an internet acronym, like HMU (hit me up) or NPC (non-player character), Urban Dictionary can help you get to the bottom of it. Sentence phrase examples serve as a guide. Related Words Related words are part of the word's description in many online dictionaries. Though most entries have multiple definitions, users can vote on which ones are most relevant or correct, giving a better impression of how the word is actually used in practice. Inside you'll discover key nouns, verbs, and phrases, and a detailed index for instant reference. Beyond that, the Merriam-Webster website (merriam-webster.com) also includes a thesaurus and dictionaries covering specific topics, like law and medicine, as well as a children's dictionary and other important resources. Oxford English Dictionary The Oxford English Dictionary (found at oed.com) is arguably the world's foremost scholarly authority on the English language. This means that if your native language is not covered, you might miss out. The courses are taught by real UCI professors, which makes the quality of instruction outstanding. The preferred spelling of a word is listed first followed by the secondary option and possibly a third. Duolingo ESL - Free Duolingo's English coursework is great for learning English as a second language. It is offered online through the EdX learning platform. DK produces content for consumers in over 87 countries and in 62 languages, with offices in Delhi, London... Title: Mandarin Chinese-english Bilingual Visual Dictionary Product dimensions: 360 pages, 6.5 X 5.44 X 0.96 in Shipping dimensions: 360 pages, 6.5 X 5.44 X 0.96 in Published: February 20, 2016 Appropriate for ages: All ages Online dictionaries can be an easy and quick way to learn information about a word. DK publishes highly visual, photographic nonfiction for adults and children. It's won Webby awards and gained a viral following on Twitter thanks to a prescient ability to capture the moment with relevant definitions. Additionally, many dictionaries link to a thesaurus as a cross-reference where you can find synonyms and antonyms of the word. Taking an English course online can be done from the comfort of your own home. Up-and-coming or highly regionalized slang is also a specialty of Urban Dictionary. Silent letters are included, so you learn how to say the word correctly without using one of those sounds. But be sure to choose the best dictionaries on the internet for reliable information. Merriam-Webster With a pedigree that dates back to Noah Webster, the father of American English, the Merriam-Webster dictionary has adapted well to the online environment. During this course, you will learn intermediate topics in English, including areas of grammar that tend to be tricky for learners. This particular course will work well for even complete beginners to the English language. Thank You! Best of all, Duolingo's courses are free. The word's plural and past tense spellings are listed to assist with accurate spelling in those cases too. Grammar Grammar details include the part of speech for the word. Searching specific words with "define" or "definition" included can result in a definition card at the top of your search results page. Others can be an adjective or a verb. Though focused on British English, the Oxford English Dictionary is an important record of the language's past and present. This will vary between dictionaries as it's based on the expert opinions of those who put the database together. The course will teach you optimal ways to introduce yourself, take part in a networking conversation, and follow up in a variety of means. As part of this 16-week course, you will also learn to use social networks such as LinkedIn for carrying on professional discussions. MORE FROM QUESTIONSANSWERED.NET Activate and hold the button to confirm that you're human. It is provided by the University of California, Irvine. The Mandarin Chinese-English Bilingual Dictionary has been updated to include modern technology and contemporary ways of life and reflects the changes the language has undergone. Exercises and audio by native English speakers will improve your comprehension of spoken English. MORE FROM QUESTIONSANSWERED.NET It is offered by Alison, an online learning company with over 1,000 free courses supported by ads. Previous print editions of the OED have come in multiple huge volumes, but its recent editions have been published online in full, providing a massive database of English words ranging from the obscure to the everyday. Dictionary.com A straightforward, easy-to-remember address and great design makes Dictionary.com a great resource, particularly for digital natives. The Dictionary.com site includes a simple thesaurus (accessible from the main page or at Thesaurus.com) with a clever tabbed design that makes it super simple to find the exact word you're looking for. University of Washington English for Professional Networking - \$300-\$350 This advanced course by the University of Washington will help you network professionally. Once you learn the definition of a new word, you might notice it more in conversation and be able to use it in your vocabulary. Pronunciations of Words The huge database of words in online dictionaries helps you learn how to pronounce the word. Thanks to the internet, learning English has never been easier. Dictionary.com has newsletters, quizzes and a range of specialized dictionaries that are particularly relevant for the digital world, covering everything from acronyms to emojis. Google Search In a pinch, you can always use Google as your dictionary. This makes them fast to complete and gives you a quick sense of accomplishment. Coursera Intermediate Grammar Specialization - \$40-\$50/Month The Intermediate Grammar Specialization is a four-course sequence you can take on Coursera. Alison's modules are split into bite-sized chunks. With more than 10,000 fully illustrated terms arranged by theme and an easy-to-use audio app guiding you, learning and retaining key terms is simple. English is used widely internationally, and there's a ready demand for good English speakers in the job market. Duolingo works well for complete beginners. From names of dishes and seasons of the year to parts of the body and furniture around the house, find everything at your fingertips with this practical and stimulating dictionary. It's a lot of information and most online dictionaries are free. For example, if you search "barnyard definition," you'll get a result that gives a brief definition of the word, an option to translate it into another language and a graph of its use over time. If you are looking for a job, or just want to communicate better professionally, this course is a must-have. Learning Mandarin Chinese has never been this easy. You can use your English skill to advance a business career, find work as a translator, or even just to travel the world and be able to communicate.
